

Finance and Value Creation for the Future

Blended Intensive Programme “Alexandru Ioan Cuza” University, Iași, Romania

Call for partners

What is it about?

Alexandru Ioan Cuza University of Iași offers this module to students from all over the world, who share a passion for finance, investment, and corporate valuation. Designed to deepen your theoretical knowledge and practical skills in financial decision-making, it will enhance your ability to analyze financial statements, assess company performance, and build financial models. You will explore key topics such as market valuation techniques, risk assessment, cash flow forecasting, capital structure, and strategic financial planning, gaining hands-on experience in real-world financial analysis.

Where?

"Alexandru Ioan Cuza" University of Iasi, Romania

When?

13 – 19 July 2026

Who should attend?

The program is designed for students (Bachelor, Master, or PhD) who are interested in this topic.

Learning outcomes

Participants will develop a solid understanding of financial decision-making, financial statements, and company valuation. They will gain hands-on experience in financial modeling, risk assessment, and investment analysis. Additionally, they will explore corporate finance strategies, cash flow forecasting, and market valuation techniques, while learning about financial ratios, capital structure, and forecasting business performance.
